During the 60th anniversary of diplo-
mat relations in 2018, the company’s growth has
accelerated. In 2016, the company’s revenue ex-
ceeded $2 billion, representing a 20 percent in-
crease from the previous year. In addition, Panorama
JTB Tours has expanded its operations to include
more countries, and its network of agents continues to
grow. The company has also launched a new
branding strategy focused on promoting
Japanese culture and heritage.

With Japan-Indonesia relations at an all-time high,
the future looks bright for Panorama JTB Tours
and other Japanese travel companies in Indonesia.
The company expects to continue growing its
market share and expanding its operations in the
coming years.

Panorama JTB Tours: Partners in Culture Exchange

Three decades ago, Panorama JTB Tours
launched the Panorama Group’s first joint
venture with an Indonesian company. Today,
the company has a robust network of
partnerships and is committed to fostering
cultural exchange and understanding between
Japan and Indonesia.

SINCE ITS ESTABLISHMENT in the year 2000, BCA has taken a leading role in the financial sector through technology transfer and innovation. Its solid financial performance is no surprise given its 13.1 per cent growth in net profit and a 13.1 per cent growth in consolidated results. BCA's solid financial performance and commitment to delivering a stable supply of electricity, enginecontrolled approval system and 24-hour security surveillance has been proven to be consistent and sustainable over the years, with a consistent 20 per cent net profit growth. BCA's board of directors, led by Management Chairperson A.T. Haryono and Management Committee Chairman to Myint Myint Oo, have been fervently in place.

The sheer size and diversity of the domestic economy provide a fertile ground for the growth of foreign and domestic projects across many sectors. The KIIC’s Japanese-led executive team: A. Takami, Acting Director of Corporate Planning and Administration; Rei Asao, Director of Marketing & Tenant Relations; Hikaru Akita, President Director; Haga Kato, Director; and Saito Kenji, Manager Director.

The KIIC-Japanese-led execution team: A. Takami, Acting Director of Marketing & Tenant Relations; Hikaru Akita, President Director; Haga Kato, Director; and Saito Kenji, Manager Director. The company has ISO 9001 and ISO 18001 certifications. Standards of quality, environment and occupational health and safety, implemented by the company, ensure that our customers’ businesses can achieve operational excellence. The MICE industry in Indonesia is still growing fast by year. This can be seen in the rapid development of hotels and restaurants, which have become a primary destination for business travel. The MICE industry is a lucrative and attractive market for companies that are looking to establish themselves in Southeast Asia. The government has been actively promoting the MICE industry in Indonesia to attract more international and domestic events. The government has set a target of increasing the number of MICE events in Indonesia to 10,000 events by 2023.

Delivering products and solutions to help customers achieve their goals

Eka Suryana, the company’s most experienced and talented personnel, has been promoted to head of the newly formed BCA: Always on the side of growth.

The MICE industry is one of the most important industries in the world. It is estimated that the global MICE industry generates more than $1 trillion in revenue annually. In Indonesia, the MICE industry has shown steady growth in recent years, with an estimated 12 per cent compound annual growth rate (CAGR) from 2018 to 2023. The government has also been actively promoting the MICE industry in Indonesia to attract more international and domestic events. The government has set a target of increasing the number of MICE events in Indonesia to 10,000 events by 2023.
