Singapore: A ‘future-ready’ economy

Singapore is an attractive business hub that offers many competitive advantages for international companies, it is a global hub as a gateway to ASEAN (the Association of Southeast Asian Nations) and Asia,” said Victor Mills, chief executive officer of the Singapore Business Federation (SBF).

“After a stable business and political environment with a fair and transparent legal system. As a recognized financial hub, we have raise and mobilize capital. As a signatory to various bilateral and multilateral trade agreements, Singapore supports the open and free flow of goods, services and people.”

ASIAN

The ASEAN region is expected to become the world’s largest economy by 2030 and Singapore is at the very heart of this dynamic economic growth.

“Singapore is an attractive business hub and offers many competitive advantages for international companies, it is a global hub as a gateway to ASEAN (the Association of Southeast Asian Nations) and Asia,” said Victor Mills, chief executive officer of the Singapore Business Federation (SBF).

“A strong and prosperous Japan is good for the entire Asian region. Both Japan and Singapore are deeply integrated in the regional economy and ASEAN, and the two countries have a tradition of strong cooperation and economic and social development.”

How is DBS contributing to the strong and prosperous partnership between Singapore and Japan?

DBS: Creating wealth, enabling success and enriching lives

DBS has played an important role in the post-pandemic economic recovery of Japan. DBS has invested in Japan, extending our financial services to the Japanese market, and through our strategic partnerships with Japanese companies, we are helping to ensure Japan’s future prosperity.

One of the world’s major cities, Singapore has a long and proud history in the British trading post in 1819 and Singapore is now a leading financial and business services hub. Singapore is a strong and prosperous city-state that is home to over 5.7 million people.
