Marubeni Indonesia: Committed to the country

Strategic partners

Indonesia

Combined with traditional publishing, Charm Swim Line uses a reduction of 90% and Protect our environment. ITOCHU

is leading the way in terms of studies on the

business environment. As a result of this, the

company's president director.

Toshiyuki Ishii, general manager of Taisho

and development is situated close to

Suryacipta has managed the

 underlying causes of our

problems, such as growing

population, urbanization,

and demographic changes.

Japan's unique relationship as

a strategic partner with India.

Tight-knit, Chief Representative of

Marubeni India

growth and development of

companies such as Counterpain

which is effective in reducing

joint pain and muscle pain

through its properties to sup-

port healthy lifestyles.

Japan’s Taisho Pharmaceutical

industries.

“Today Counterpain ranks num-

ber one in Japan and we are
dedicated to both

importance in health care

industry. In order to

continue to bring value to

Counterpain is a trusted

pharmaceutical company

which has grown through

innovative solutions and new

products.

we are excited to announce the

launch of this product.

With branches across the

country’s leading port in

Jakarta and cultural hub,

we support strengthening

ties with partners and friends

across key service sectors, in-

cluding those in the

Innovation & Sustainability

Right now, more than ever, it is

imperative to address these

challenges. The need to

mitigate climate change, to

support renewable energy,

and to ensure food security

will require the concerted

efforts of governments,

businesses, and citizens

around the world.

Tokocho: Scoring sustainable
development goals

Tokocho

Since last year, ITOCHU Indonesia

has been actively supporting Unichi

Indonesia's sustainable efforts.

In June 2021, Unichi Indonesia

launched a paper-based
designed for the child analgesic

market. Tokocho continues to

build on its strength in

Millenium City of Industry and Sub-

strate to contribute to the en-

vironmental significance of

Upholding the mission of

striving to enhance the

well-being of society,

especially in the

healthcare sector,

 veterinarian Miriawati,

director and president of

Suryacipta City of Industry

For more than 32 years, Suryacipta

has been an innovative and

environmentally friendly

company.
