Czech Republican and Japan, ever closer

Leaders share their insights on Czech-Japan relations.

“Czechia and Japan have never been closer. We shared this view with Foreign Minister Toshimi
Makino on February 10, 2023, when we met on the sidelines of this year’s G7
Summit. We are honored by the fact that our relationship is stronger than ever before.

— Jan Lipavský, Minister of Foreign Affairs of the Czech Republic

We are valuable partners that
have 107 Japanese manufac-
turing companies in the
Czech Republic. By far, we
are the most successful in attract-
ing Japanese investment in
the manufacturing sector per capita in Europe. Our ef-
torts today are directed at pursuing
high-value-added projects, such
as research and development.

— Ondrej Votruba, Executive
Director for Foreign Invest-
ment

Zoner Photo Studio X is a powerful tool that allows
users to manage and add a large number of images
at high speed, search and browse lightly, and process
photos with a variety of editing functions.

With support for RAW data and nondestructive
editing of JPEG images, the software is a great photo
managing tool with layers. Its top feature is Zonerama, an
unlimited web gallery where users can create, edit, organize, password-protect and share
galleries with their own custom galleries with no compression, no limits and no commercials.
Upload-
ing images directly from Zoner Photo Studio X is easy
